EXPERIENCE

Melissa Counihan has experience in Food Service Design, Marketing, Education, Business Development, Food Service Operations, and Personnel Training. As Chief Operating Officer, she can envision what any operation needs to succeed and create efficient Food Service Design to drive operational goals. Ms. Counihan is responsible for all day-to-day operations for Counihan and Associates. As the former VP of Product Marketing and Development at Houghton Mifflin Harcourt, she acquired a deep knowledge and experience in strategic business planning. In addition, Ms. Counihan's background in education has enabled her to become an outstanding Personnel Trainer. Developing skilled and trained personnel for a Food Service operation is a key to the success of that operation. Her teaching background paired with her expertise in marketing, food service operations, and business makes her a huge asset for our varied clientele.
